Grady Appointed New Agawam Police Chief

In the opinion of the Board of Selectmen, acting as Police Commissioners, two candidates made an excellent showing based on the ratings established by the Civil Service Board. The fact that two individuals could come within less than

CHIEF KENNETH GRADY
one-half of 1% in examination marks is indicative of the abilities of the two men who took the required examinations.
Because the rating was so close, the Board reviewed factors involving both candidates, concerning length of experience, seniority and administrative background. It is because of these factors and in the best interest of the Town of Agawam, that we feel Sgt. Kenneth Grady well qualified, and he is hereby promoted as Chief of Police of the Town of Agawam.

Sgt. Grady first became a Special Officer April 19, 1937, at which time he was assigned to a beat in the North Agawam Area for three nights a week, and at other times doing cruiser duty. He was made a permanent officer on April 17, 1942, being the first man appointed

E. PEABODY, DEMOCRATIC CANDIDATE FOR GOVERNOR

Enters Navy

STANLEY C. HARWOOD
Stanley C. Harwood, son of Mr. and Mrs. Richard D. Maynard of 61 Bridge Street, has enlisted in the U.S. Navy as apprentice seaman and reported to Waukegan, Ill., on Tuesday, January 9. Stanley attended Agawam High School.

I am a candidate for the Democratic nomination for Governor of Massachusetts.

I am a candidate because I believe the greatest challenge in Massachusetts today is the improvement of our state government. I want clean government that is effective. The people want clean government that is responsive. These mutual goals form the basis of a partnership.

led and disillusioned by the condition of their state and local governments. Exposures of graft and corruption have multiplied so that almost weekly there appears a black headline telling of some new conflict of interest—some new indictment—or some new misuse of public funds.

I have found the people worried about the deterioration of our cities and towns as a result in great measure of ever-increasing local taxes. Main Street, Massachusetts, is fast becoming a wasteland of empty stores, abandoned hotels, an decaying commercial buildings. Working men and women of Massachusetts—homeown-

HARRY LEONARDI

Mrs. David Skolnick, program chairman, of the Robinson Park Elementary School, announces that Harry Leonardi, football coach at Agawam High School, will be the guest speaker at the Parent Teachers Association meeting to be held on Wednesday, January 24 at 7:45 p.m.

Fathers are cordially invited to attend this meeting.

Mr. Leonardi will present a physical fitness program based upon President Kennedy's national health program. Demonstrations and exhibition will be given by several high school students. This promises to be a most interesting and rewarding experience.

Franklin Printing Shop

The Franklin Printing Shop at 63 Franklin St., Feeding Hills is owned and operated by Daniel DiDonato.

Mr. DiDonato has been in the

printing business for 22 years, starting in his high school days with a little hand press given to him by his uncle. The first business he handled was calling cards for his school chums. Letterpress and

offset printing are now a specialty of the shop.

The Franklin Printing Shop was the first printing business established in Agawam.

"School Lunch Serves Good Health"

The theme of the poster contest, held in the Agawam Schools for 5th and 6th Grades, Jr. High and High School students, is the theme for School Lunch Week—"School Lunch Serves Good Health."

The winners, each of whom will receive a free lunch each day during School Lunch week, are left to

right: Richard Cimma, South Elementary School; Richard Taylor, Granger School; William Hine, Jr. High School; Jay Amarol, Robinson Park School; Denise Dickinson, Danahy School; Nancy Maziarz, Phelps School, and Santos Demichele, High School.

The posters of Jay Amarol, representing all 5th and 6th Grades, William Hine, representing the Jr. High School, and Santos Demichele representing the High School, were entered in the State wide poster contest. The results of this contest have not yet been received.

Sincere appreciation is extended to the art teachers: Mrs. Marjorie Beebe, Mrs. Lora Jekkals, Miss Geraldine Schilling, and to the students who shared their talents with us in observance of School Lunch Week, January 15-19.

Nine AHS Students Score 100% NOMA Test

Nine Agawam High School students scored 100 per cent in the NOMA spelling tests given recently by business teacher, Emily McCormick. The perfect spellers are: Linda Bailey, Jane Cressotti, Sandra Drzyzga, Carole Hamar, Beverly Malone, Carol Roberts, Linda Shakespeare, Linna Tower and Mary Jane Wells.

The students qualify to take the second test which will be given in the near future. Students who achieve perfect scores in both tests will be presented NOMA Proficiency Awards in March. The spelling program is sponsored by the Springfield Chapter, National Office Management Association to develop an interest in accurate spelling for use in later life. David Skolnick, guidance counselor and a NOMA member, stated that 45 high schools in Western Massachusetts are participating in the NOMA program.

Teen-Agers Add Lively Lift To New March of Dimes Drive

Slave auctions in this Civil War Centennial Year?

It can—and does—happen here, with the flower of American youth on the block.

But in this century, there's a difference. Now it's all in a good cause. Members of the New March of Dimes Teen Age Program (TAP) auction their services to the highest bidder among local merchants. The money goes to support The National Foundation—March of Dimes attack on birth defects, arthritis and polio.

It's all part of TAP members' lively approach to volunteer community service. They also sponsor walkathons (shades of the Thirties!) in which teams from rival schools move toward the finish line as dimes are contributed. They dance for dimes at casual sock hops and formal balls, man concessions at school sports events, and hold community car washes.

Through such ingenious fun-for-funds projects, TAPs raised nearly three-quarters of a million dollars during the 1961 March of Dimes.

For the 1962 New March of Dimes in January, tens of thousands of the youthful volunteers are literally "on TAP." In more than 75 per cent of The National Foundation's 3,100 local county chapters, active TAP committees are determined to hit new highs in fun as well as funds.

Adult advisors who work with TAPs point out that underlying the outward frivolity of the teenagers' projects is a deep awareness of the need for increased research and progress in the fight against crippling birth defects, arthritis and polio. During the year, many youngsters assist in local patient services by reading to disabled children, writing letters for severely crippled arthritides or working as hospital aides.

A prime year-round responsibility of TAP members is distribution of information about National Foundation Health Scholarships to students in high schools and colleges. Each year, more than 500 four-year scholarships with a full value of \$2,000 apiece are offered for study in medicine, nursing, physical therapy, occupational therapy and medical social work. TAP members know the desperate need to reduce the shortage of manpower in the health professions by encour-

aging students to undertake careers in these fields.

Leader of the Teen Age Program for the 1962 New March of Dimes is national chairman Katherine Anne Keith, 18, of Columbia, Mo. Blonde, brainy and born to be busy, Katie will handle her major responsibilities as top TAP while she pursues an ambitious freshman schedule at the University of Missouri.

On the basis of past performance, juggling scholarship and volunteer service won't intimidate Katie. She was 1961 Missouri state TAP chairman during her strenuous senior year in high school. Under her leadership, Missouri TAPs showed record gains in membership, services to chapters and funds raised for the March of Dimes.

At the same time, Katie maintained grades that ranked her third in her graduating class of almost 300 students. She was a National Merit Scholarship finalist and received the Kiwanis Good Citizenship

award. She was business manager—and occasional sports-writer—for the school paper, treasurer of the National Honor Society, queen of the major social function of the school year, had a lead role in the school play, "Teahouse of the August Moon," and actively participated in math, history, English and French clubs.

She also teaches a Sunday School class at Missouri Methodist Church in Columbia.

After a summer in Europe, including study at the Sorbonne in Paris, the energetic Katie began to plan for a banner year of TAP activity for the March of Dimes.

"Teenagers who are looking for a sense of satisfaction along with fun and friendship are missing a bet if they don't check TAP activities in their local March of Dimes chapters," she said. "A TAP committee isn't just another youth organization—it's not merely a club to serve youth. Instead, it gives us an opportunity to serve our communities."

FATE OF

A

SCHOOLHOUSE

By EDITH LaFRANCIS

The clerk's book of School District 8 is a complete record of annual and special meetings over a period of forty years. Beginning Nov. 2, 1827, votes are recorded on routine matters such as wood supply, compliance with rules of the Ashley Fund repairs, support of teachers, etc.

Only the south room of the school building was owned by the District and in years when they voted to keep "two schools", one to be taught by a man and one by a woman, they rented the north room from Roderick Allen (also spelled Allyn) who had by this time bought the north room and the meeting hall upstairs, from the proprietors.

In 1846, lengthy discussion began on whether to build a new school, repair the old or purchase the part owned by Mr. Allen.

Nov. 13, 1846 the Committee reported they had bought the school, taken a deed and given security of payment.

They planned to move the building back and put in a better foundation. They voted to rent out the upstairs hall except that it should be free to both "Societies" for use of singing schools. Two years later, however, more votes and discussion are recorded on whether or not to buy the school. In 1848 a special assessment of \$200 was collected from the inhabitants to pay for repairs.

Evidently Mr. Allen grew impatient that money was forthcoming for repairs and yet he must remain unpaid. Next we find the committee going to a lawyer for advice on a lawsuit pending between the District and Roderick Allen.

The District decided to sell the part they had bought from Mr. Allen and apply the proceeds to payment of their note to him. For this purpose they appointed a committee to attend to the sale the second Tuesday of April, 1849. But their good intentions of squaring the debt received another jolt. On March 31st at 5 a.m. the school house burned down. The next entry in the record says, "Met at the place where the school was burned and voted to adjourn to the horse shed of the meeting house." There they voted to ask help from the Selectmen in "detection and conviction of the person who burned the school house." Also voted a vigilance committee of 5 to bring the person to justice. Also voted to employ an attorney to have the suit with Mr. Allen put over to the next court.

Thus they were left with an empty treasury, without a schoolhouse, and with no means of paying the note to Mr. Allen. It would take plenty of Yankee ingenuity to pull themselves out of the hole.

VETERANS INFORMATION

Veterans and dependents of deceased veterans on the Veterans Administration's nonservice-connected pension rolls received their annual income questionnaires with their December checks. The punched cards must be filled out with the required information and returned to the VA before January 31.

The VA requests that the cards be handled with care so that they will run through the tabulating machines when they are returned. They must not be folded, trimmed or mutilated in any manner.

The address in the upper right hand corner is the address to which the card should be returned and should be copied exactly as it appears. The abbreviations have been cleared with the post office. The cards will be delivered promptly to the VA offices if addressed in this way.

Most veterans and dependents will find only six or eight items that require information pertaining to annual income. Persons on the rolls under the new pension law effective July 1, 1960, must also fill in a net worth item as required by law.

Laws governing nonservice-connected pension payments require that the VA receive this income information each year. The amount of pension paid and the eligibility to receive any pension at all, depend upon the individual's need as determined from the amount of income received annually in addition to the pension.

Loomis Named "Y" Day Camp Chairman

Mr. William J. McLellan, president of the Agawam Community YMCA, announced this morning that Mr. James H. Loomis Jr. of the "Y" Board of Directors has been named Chairman of the Community YMCA Day Camp Committee.

The "Y" Day Camp, inaugurated in 1958, is now serving over 175 boys and girls in a six week summer program. With the acquisition of the new YMCA property the "Y" Day Camp Committee will be working on plans to shift the program to the new site for this summer.

Mr. Loomis was Director of the Wachogue Community Church Day Camp in 1955 and has been related to the development of that Day Camp since its inception. He is a graduate of Fitchburg State Teachers College and holds a master's degree from Westfield State Teachers College. He was appointed a teacher at the Granger School in 1952 and in 1960 was named principal. Mr. Loomis is a trained radiologist with the local Civil Defense Program as Secretary-Treasurer of the Call Firemen of Station 2 in Agawam and is serving as a Committee Chairman of Cub Pack 79 and is Vice-President of Agawam's Little League West. Mr. Loomis has been a member of the Agawam YMCA Youth Program Committee since 1959 and was elected to the Board of Directors of the Community YMCA in 1961.

Mr. Loomis is married to the former Marilyn Wilder and they and their three children reside at 14 Horsham Place. The "Y" Day Camp Committee will hold their first meeting soon to discuss the 1962 summer program.

Printing -- The Mother Of Progress

If you were asked, "Of all the inventions of mankind, which one invention has added most to civilization?" you might have to stop and ponder.

Still this one invention was the cause of the end of the so-called Dark Ages. That was only some 500 odd years ago and the progress and knowledge of mankind actually dates from that time.

The invention to which we refer is the invention of movable type by Gutenberg, which was the real beginning of printing in the literal sense. It is right interesting to know how this invention came about or happened, but before we relate the story let's look back briefly to the conditions that existed prior to that time.

All of you recall, I'm sure, that the enlightenment of the mind was confined very much to the church in ancient time, that scribes and priests copied documents and scriptures by hand with a quill and it is also interesting to note that a number of type faces were originally cut to copy or match the handwriting of some of those early scribes and that to this very day those type faces still bear the earmarks of some of the best of those early scribes.

So Johannes Gutenberg studied the old wood block printing plates which were carved by hand and he went to many cities to visit men who made these engravings. It is recorded that one day he was visiting an engraver of woods and he dropped one of these wood plates and it broke into many pieces. He picked these parts from the floor and began piecing them together and historian DeLamartine says that "a light, as the lightning from heaven, flashed before his eyes." Thus came about the idea, the invention of movable type and it is significant that the wood block which fell, carried a religious inscription and, therefore, the birth of printing may have been divinely inspired.

Johannes needed a machine to make the impressions on vellum and in those days the screw or lever wine press was the obvious answer and thus the principles of the wine press were adopted to the first printing press and from that point on the intelligence, knowledge, and wisdom of all the ages before literally flooded forth to the benefit of men's minds and souls.

Printing's magnificent contribution to civilization and to freedom is immeasurable. It is the most beneficial industry in the world.

OBJECTIVES

OF THE ANNUAL OBSERVANCE OF INTERNATIONAL PRINTING WEEK

- ★ To salute an industry whose existence has been a dynamic constructive force in the cultural advancement of mankind.
- ★ To perpetuate the principles and the profound wisdom of Benjamin Franklin's precepts.
- ★ To portray by visible examples the alert spirit and enterprise that actuates the printing industry of today.
- ★ To encourage young people to share in the limitless career opportunities provided by Graphic Arts educational facilities.
- ★ To promote international good will by bringing Graphic Arts organizations into a more understanding relationship with one another.

FACTS AND FIGURES ABOUT PRINTING

The Printing Center of the World is Chicago, which does more than one-sixth of the nations commercial printing in more than two thousand printing plants employing more than 75,000 people with a \$200 million payroll annually and a printing sales volume of more than one billion dollars.

The best selling book in the world is the Bible with more than twenty-five million copies being printed annually.

BENJAMIN FRANKLIN BORN JAN. 17, 1706

PRINTER, AUTHOR, PUBLISHER INVENTOR AND STATESMAN

There have been many great scholars that have been printers, but the patron Saint of American Printers is Benjamin Franklin. Ben Franklin was famous for many things. He was an inventor, a scholar, a diplomat, a true statesman, and all know his reputation as a great lover. He printed our first almanac which contained a bit of everything. He printed our first cartoon and besides giving us firsts in many things he also founded the Saturday Evening post. His reputation as a philosopher is famous the world over.

SPORTSMEN'S CORNER

by
Bill
Chiba

The bill to require deer hunters to wear at least 200 square inches of daylight fluorescent orange material about the head or shoulders has been reentered this year with the legislature by the Division of Fisheries and Game. This bill failed to pass by just one vote last year, largely because of an erroneous belief that hunters would have to junk their present hunting clothes and re-outfit. This is not the case, according to the Division. You don't have to throw your coat away—just pull a vest over it.

If this bill passes it merely removes from present law the choice

of three colors (red, yellow, and plain orange) and substitutes fluorescent orange in their place. The vests can be worn over any color of clothing.

The new color would be required only during the December gun season on deer. Small-game hunters and ARCHERS in the November bow and arrow season would not have to have it. The bowhunters last year insisted that the wearing of full camouflage outfits without the addition of bright colors be inserted in the bill. The Division complied with the request.

Another bill filed by the Division, with the sanction of the Quabbin Hatchery Committee, is to allow the Division to have preliminary engineering plans drawn on the proposed Quabbin hatchery. The cost of the survey would be in the vicinity of \$20,000.

Mawaga Elects

The Mawaga Sportsmen Club elected new officers for the coming year. Jim Chandler was elected president, Anthony D. Forcinel, vice-president; Vin Fimornari, financial secretary, and Dan Binnekade was retained as treasurer.

New members voted in at the recent meeting were: Leo Balboni of Reed Street, Agawam, and Edwin (Doc) Baldwin of Main Street, Agawam. The Board of Directors of the club for the coming year are: Hy Fox, Joe Stover, Al Hebert, Carl Anderson, and Ed Chapin. Stan Berchulski was voted in as an Honorary Member for 1962.

Fishing

The Pioneer Valley Sportsmen Club of West Springfield held their annual elections of officers January 11th at a special meeting. Ken Warren was re-elected president. Other offices filled were: Hy Fox, 1st vice-president; Joseph Syzdek, 2nd vice-president; Clayton Brown, financial secretary, and Robert Durkee was re-elected treasurer. New members voted in: Robert Hall, Paul Galaska, William Coops Jr., Joseph Demers, William Foret, Raphael Reyome and Ralph Hall.

The junior members of the club will meet January 19th at the club house.

Bass, pickerel, pike, walleye and panfish season continues on all waters except Quabbin reservoir through February 28, plus two brown, brook or rainbow trout may be taken daily in lakes and ponds

Credit Union Annual Banquet To Be Jan. 27

The banquet committee of the Agawam Town Employees Federal Credit Union held its first meeting in the conference room at the High School on Wednesday, January 3. This year the annual banquet will be held at Betty's Old Towne House on Saturday, January 27 at 7 p.m. Following the banquet there will be dancing to the music of Al Alcorn's orchestra.

Chairman of the committee is Ted Bishop and he will be assisted by the following subcommittee chairmen: Dorothy Hastings and Ann Schneider, tickets and arrangements; Matthew Blachak of the Fire Department and Edmund Kalinowski of the Police Department, entertainment, and Edward Talmadge, publicity.

Tickets may be acquired by members at their respective places of employment. The banquet committee anticipates that many Credit Union members will attend this annual social affair.

that have not been reclaimed.

The Division of Fisheries and Game released a total of 57,631 pheasants (cock birds) during the 1961 calendar year. Only 16,182 cocks were placed in the state-operated public hunting grounds, the remainder, 41,449 cocks, were all stocked in open covers not controlled by the Division. This is more than twice as many as were stocked in all covers ten years ago.

Noel Price Making Great Early Season Bid To Capture Berth On A. H. L. Mythical All-Star Team

by BUCKY O'BRIEN

This coming March the various radio, press, and TV reporters around the AHL will sit down and cast their ballots for the All-Star team. Last season they omitted the obvious name of Jimmy Anderson from the first team so I am in hopes they will atone for their oversight and place the right men on the team.

One guy who should be given plenty of consideration this year is 26 year old Noel Price of Con-

iston, Ontario devastating rear

NOEL PRICE

guard of the Springfield Indians. Noel is by far the most improved player in the league and the best bet to make the NHL. Teamed with the Eddie Shore Trophy winner, Bob McCord this two-some makes things pretty tough on enemy sharp shooters all evening.

Whenever the Tribe gets in trouble and can't seem to move the puck out of their zone, Noel gets the nod and he usually lugs the puck the length of the ice and out of danger. The Noel Price rush has become a familiar sight at the Coliseum lately and every time he gets his stick on the puck the fans start to get excited for he affords them with plenty of entertainment with his uncanny ability to deke out the opposition and sweep through their defense.

We have seen all the teams in the AHL play here this season. We have had a good look at all the rest of the defensemen in the league but none of them is any smoother, more aggressive, or generally as good an all around defenseman as Noel Price, my personal endorsement for the AHL All-Star team. Let's hope the rest of key punchers in the league are as cognizant of his attributes as we are.

AROUND THE RINK . . . Harry Pidhirny, former Indian captain and now currently playing with San Francisco in the WHL has 12 goals and 16 assists so far . . . Bob Kabel has been skating all week and reports he should be ready in about another week . . . Hard luck Jack Caffery was a visitor at the Coliseum the past week. Jack just recovered from a knee operation and hopes to be able to play again next year . . . The New York Rangers are really having their troubles lately. If Bill Sweeney, Brian Kilrea and Floyd Smith couldn't do as well as Guy Gendron, Ted Hampson, Jean Ratelle, or Vic Hadfield. I'd like to know about it . . . I am in no hurry to lose men of this caliber but let's face it they deserve a shot in the big top.

Jevons To Teach At U Of W. Va.

A. F. JEVONS

A. F. Jevons of 141 Liberty St., Feeding Hills, has been appointed to the educational staff of University of West Virginia, January 29 through February 2—to teach heating and air-conditioning engineering short courses for the National Warm Air & Air Conditioning Association.

In addition to instructorship of an advanced class of engineering, Mr. Jevons will also present a lecture of air-handling for the modern split level home.

Starting in April, Mr. Jevons will again serve on the educational staff of the University of Connecticut as an instructor for this same national organization and will present a series of lectures for the New York State Agricultural and Technical Institute late in February and March.

Mr. Jevons is the District Manager for the Lima Register Co., Lima, Ohio, a national manufacturer of heating and air-conditioning equipment.

date. For the past twelve years Sgt. Grady has served as administrative assistant to the Chief.

One of the factors in arriving at the decision to name Sgt. Kenneth Grady, was the excellent leadership training which he experienced in the China-India-Burma Theatre, when, as an assignee to the Air Force, he worked for the Intelligence and Security Division out of the Provost Marshal's Office. When he was attached to the Intelligence Office in China he was in charge of four teams investigating subversive activities and sabotage. He was discharged from the Air Corps January 8, 1946.

Chief Grady is married to the former Betty Reiley of Providence, Rhode Island. The Grady's reside at 77 Oak Hill Avenue, Agawam. They have three children, Mrs. Barbara Tessicini; and two sons, Kenneth and Larry, attending the Agawam Schools.

It is the firm intent of the Board to review department activities with Chief Grady in the development of long range administrative and policy program for the future.

ers and tenants as well—are groaning under the mounting real estate tax burden they are required to bear.

I have found that we are losing jobs and businesses in Massachusetts by failing to renew and rehabilitate our industrial and commercial plant at a sufficiently fast rate.

I stand dedicated to the solution of these problems which face the people of our state. As a first step, I have already presented to the General Court a package of legislation which would strengthen the power of the Governor to administer our state government with its 179 or more separate agencies and its budget of close to 500 million dollars.

To strengthen our government, to eliminate corruption, to solve the problems of the Sixties, there must be "A PARTNERSHIP WITH THE PEOPLE OF MASSACHUSETTS." In this exciting venture, a capable Governor, responsive elected representatives, and an enlightened public must join as partners. Each needs the other to succeed.

THIRD NATIONAL'S INCOME INCREASES DURING 1961

Operating income of the Third National Bank of Hampden County was \$5,256,173 in the 12 months ending December 31, 1961, an increase of \$150,792 over the \$5,105,381 for 1960, President Harlan A. Sears reported today.

Operating expenses of \$3,360,117 for 1961 also were higher than the \$3,068,571 in 1960, reflecting to some extent the costs involved in the Third National's program of

expansion during 1961. During the past year the bank opened a new office building in Indian Orchard, launched new offices in Southwick, Agawam, and Longmeadow, and consolidated with the Hampden National Bank and Trust Company of Westfield.

The Third National's operating income after taxes totaled \$988,563 or \$4.87 per share on the average 202,992 shares of stock outstanding during the year.

In 1960, the Third National or \$4.87 per share on the average shares that were outstanding.

The Third National's December 31, 1961 figures include the operations of the Westfield office—formerly the Hampden National Bank and Trust Company—since November 20, 1961.

"Generally speaking," Mr. Sears said, "1961 was a good year for the Third National Bank of Hampden County. Our earnings were only slightly below those of 1960, despite the expenses that went with our growth strides during the past year."

The bank, which now has 10 offices in seven Hampden County communities, recently reported its year-end assets were at an all time high of \$135,186,489, a gain of more than \$19.6 million over the \$115,551,067 at the end of 1960.
